A Child's Garden of Standards: Linking School Gardens to California Education Standards, Grades Two Through Six

by Janice Lowen Agee; California

I have seen the look of joy on a child's face after they have worked in their garden. Identifying goals and linking the garden to your curriculum.

School Gardens: State Standards & Curriculum Master Gardeners. Learning in a school garden teaches the fundamentals of three important issues: Gardens beautify the school and instill pride in students and school staff.

A Child's Garden of Standards, California Department of Education. A curriculum, the guide links specific lessons to specific standards for grades two through six.
